APRIL 2016

KIDS & TEENS
SCHOOL HOLIDAYS

LEARN NEW SKILLS IN
FILMMAKING, DIGITAL ANIMATION

AUSTRALIAN FILM TELEVISION AND RADIO SCHOOL
APRIL SCHOOL HOLIDAY COURSES

AFTRS Open School Holiday courses are the perfect way to learn new skills, have fun and make new friends. We have courses in filmmaking, screen acting, digital animation, TV presenting and video editing.

All courses take place in AFTRS state-of-the-art film studios and facilities at the Entertainment Quarter, Moore Park, Sydney. Book early to guarantee a spot and to receive a 10% Early Bird Discount for bookings made 28 days in advance.

KIDS DIGI ANIMATION

If you’re inspired by animation like The Simpsons or 3D animations like Toy Story then this is the course for you! This beginner’s introduction to digital animation uses programs such as Flash, Photoshop, After Effects and Maya.

SCREEN ACTING FOR KIDS

Develop character, voice and acting skills in this fun workshop! You’ll learn valuable on-camera acting skills as you work on scenes from TV shows and films. You’ll rehearse and perform your scene to camera - and get a copy of your acting scenes following the course.

THE REAL FILMMAKING WORKSHOP

Write, shoot, edit and screen your film in just five days in the number one filmmaking workshop for young people in Australia! Work with actors on a real set using professional equipment in AFTRS’ state-of-the-art film studios. Learn camera skills, lighting, sound, editing and how to direct actors, plus finish with a screening of your movie in the AFTRS cinema - all in one week!

KIDS DIGI ANIMATION: PART TWO
This is a follow-on course from our popular Kids Digi Animation course, building on skills in animation, compositing and VFX using After Effects.

TV PRESENTING FOR KIDS
Write, rehearse and film your own piece-to-camera: you could record a news story, a DIY segment, science investigation, stand up comedy routine or food show. Gain confidence on camera and be part of making a TV episode in just two days! You’ll also receive a copy of your segment to take home with you.

AFTRS FILM CLUB: LIGHTS, CAMERA, ACTION!
Are you a budding filmmaker? Sign up now for AFTRS Film Club, five days of fun and practical workshops for 9-12 year olds. Each day holds new challenges and teaches new skills for the emerging filmmaker. Devise your own film script, get the props, sets and costumes together, film your script in front of and behind the camera and work on editing the film to screen on the last day.

TEENS DIGI ANIMATION
Working with an industry professional, learn digital animation skills and advance your animation journey. The workshop investigates programs such as Photoshop, After Effects, Adobe Flash, Blender and the industry standard animation software Maya 3D. In this course, you’ll discover the complexities of Maya 2012 and create a 3D character, plus create an animated walk cycle in Flash. You’ll also receive a copy of your work to take home.

VIDEO EDITING WITH PREMIERE PRO

Are you interested in learning how to edit your own videos? This hands-on, practical course will teach you the basics of editing using Adobe Premiere Pro, part of the Adobe Creative Suite. It will cover the basics of capturing HD video footage and importing different files, along with basic editing and audio skills, how to add effects, transitions, and text, and much more.

HSC VIDEO INTENSIVE

Learn to write, shoot and edit a film using Adobe Premiere Pro in this skill and story development workshop for emerging filmmakers tackling their HSC. This course introduces industry knowledge and skills while you work on short film exercises and introduces you to skills you can use for your own HSC video project for English Extension, Visual Art, Design and Technology or HSC Drama.

DATE: WED 20 - FRI 22 APRIL // AGE 15 - 17 YEARS // TIME: 9AM - 5PM // COST: $375 ($337 EARLY BIRD DISCOUNT)
