

AFTRS

FEES SCHEDULE 2018

Fees

In accordance with regulatory compliance, all tuition fees are generated on a 'per unit of study' basis. AFTRS defines a unit of study as a subject.

Credit Points are a means of identifying the relative value of a subject. It is used in the calculation of an EFTSL (Equivalent Full Time Student Load).

A full time study load is defined as 1 EFTSL for one year (or 0.5 EFTSL for one semester).

AFTRS determines that the standard full time study load is 48 credit points for one year (or 24 credit points for one semester).

The 2018 tuition fees for each course and subject are listed on the pages that follow.

Each subject is assigned a study period and census date.

Financial penalties will apply to students who withdraw from their course after midnight on the relevant census date.

All course fees are subject to annual review and may increase each year for new intakes. If you re-enrol in the same course after a period of approved absence, you will be subject to the tuition fees for that enrolment year. All fees are in Australian dollars.

Standard Study Periods

The standard AFTRS higher education academic year consists of two semesters and one census date per semester. Most courses at AFTRS run during standard study periods.

The 2018 standard study periods are:

Study Period	Start Date	Census Date	End Date
Semester 1	26/02/2018	31/03/2018	17/06/2018
Semester 2	16/07/2018	31/08/2018	04/11/2018

Non-Standard Study Periods

AFTRS may specify a non-standard study period in a course and there may be individual subjects where a unique study period is required.

For these subjects, a study period based on numbered calendar weeks will be applied.

For example, the subject '*Story 1*' in the *Bachelor of Arts Screen: Production* course has a non-standard study period of '*Week 10-19*' to indicate that the subject commences in week 10 and concludes in week 19.
