## INTRODUCTION

This document provides a summary of all domestic student higher education fees and associated information (study periods, census dates, credit points and EFTSL values) for units undertaken in courses of study at AFTRS in 2019. They are listed per course on the pages that follow.

## Tuition Fees

In accordance with regulatory compliance, all tuition fees are generated on a 'per unit of study' basis. AFTRS defines a unit of study as a subject.

Credit points are a means of identifying the relative value of a subject. It is used in the calculation of an EFTSL (Equivalent Full Time Student Load).

A full-time study load is defined as 1 EFTSL for one year (or 0.5 EFTSL for one semester).

AFTRS determines that the standard full-time study load is 48 credit points for one year (or 24 credit points for one semester).

The tuition fees are reviewed each year and you are liable for the additional tuition costs if the tuition fees rise during the course of your enrolment.

Each subject is assigned a study period and census date.

Financial penalties will apply to students who withdraw from their course after midnight on the relevant census date.

For further information regarding fees, including applicable refunds, refer to the Fees Policy at: <https://www.aftrs.edu.au/students/current-students/student-policies-and-forms/>

## Standard Study Periods

AFTRS higher education academic year consists of two semesters. These semesters are known as study periods. Unless specified in the *Course-Specific Study Periods* section that follows, your course will run during standard study periods.

The 2019 standard study periods are:

Study Period	Start Date	End Date
Semester 1	25/02/2019	16/06/2019
Semester 2	15/07/2019	03/11/2019

## Course-Specific Study Periods

The 2019 course-specific study periods are:

Study Period	Start Date	End Date
<b>Semester 1</b>		
Master of Arts Screen - Year 2	18/02/2019	09/06/2019
Bachelor of Arts Screen: Production - Year 3	04/03/2019	23/06/2019
Bachelor of Arts Screen: Production - Year 2	11/03/2019	30/06/2019
<b>Semester 2</b>		
Master of Arts Screen - Year 2	08/07/2019	27/10/2019
Bachelor of Arts Screen: Production - Year 3	22/07/2019	10/11/2019
Bachelor of Arts Screen: Production - Year 2	29/07/2019	17/11/2019

## Week-Specific Study Periods

AFTRS uses a 'block' timetabling approach in the delivery of its subjects. This means that not all subjects are delivered throughout the entirety of the semester, but instead in *blocks* of weeks.

For these subjects, a study period based on numbered calendar weeks, as well as applicable census dates, will be applied.

For example, the subject 'Screen Studies A' in the Bachelor of Arts Screen: Production course has a week-specific study period of 'Week 10-19' to indicate that the subject commences in week 10 and concludes in week 19.

Further information regarding the delivery of the subjects in your course will be supplied once you are enrolled and your personalised timetable is supplied to you.
