# AFTRS Equity Scholarships

## Purpose

AFTRS Equity Scholarships are awarded biannually to assist financially disadvantaged Master of Arts Screen Students with the costs associated with higher education.

The scholarships are intended to support people from low socio-economic backgrounds or who are otherwise under-represented in higher education to study at AFTRS.

## Payments

AFTRS Equity Scholarship funds are provided by The Kenneth Myer Fellowship Trust.

Each scholarship is valued up to \$6,250 and is for one semester only.

Up to \$6,250 will be awarded, to be paid following the applicable census date. Payments are conditional on the recipient remaining enrolled, in good academic standing, and continuing to meet the eligibility and disadvantage criteria, and any other conditions.

## Assessment of Applications

There are limited funds for scholarships, so AFTRS may not be able to support everyone who applies or who demonstrates they are in need.

AFTRS will determine which, if any, applicants will be awarded a scholarship. AFTRS' decision is final and no correspondence about decisions will be entered into. Successful applicants will be told of any conditions of a scholarship.

In 2021 the recipient of the equity scholarship cannot defer the commencement of the scholarship.
