

Academic Qualifications Replacement

Graduates of AFTRS may apply for a replacement testamur (degree certificate), academic transcript or statement of attainment. Replacement documents will be issued in the current style, include the date of graduation and date of replacement and a note stating '*This is a replacement certificate*'.

The following provides a description of the academic qualifications:

- **Testamur** - a legal document issued by the authority of the Council under the AFTRS' Common Seal;
- **Academic Transcript** - a formal document issued by authority of the Director of Education at any time during candidature or after graduation, detailing the student's/graduate's enrolments and results;
- **Statement of Attainment** - a formal statement that can be issued when an individual has completed one or more accredited subjects.
- **Graduation Letter** - for graduates who require documentation that confirms they have completed course requirements. These letters are normally provided to alumni where the student file is accessed and information about the student's enrolment is summarised. Other information can be accessed via AFTRS syllabus, handbook and/or annual reports.

If you require postage to an overseas address a charge will be incurred and you will need to pay for that when pay for replacement documents. Talk to the Student Centre regarding your delivery requirements.
