# Introduction

This document provides a summary of all international student higher education fees and associated information (study periods, census dates, credit points and EFTSL values) for units undertaken in courses of study at AFTRS in 2021. They are listed per course on the pages that follow.

## Tuition Fees

- In accordance with regulatory compliance, all tuition fees are generated on a 'per unit of study' basis. AFTRS defines a unit of study as a subject.
- Credit points are a means of identifying the relative value of a subject. It is used in the calculation of an EFTSL (Equivalent Full Time Student Load).
- A full-time study load is defined as 1 EFTSL for one year (or 0.5 EFTSL for one semester).
- AFTRS determines that the standard full-time study load is 48 credit points for one year (or 24 credit points for one semester).
- All tuition fees are listed on the basis of a standard full-time or part-time study load equivalent to the study mode permitted in the course.
- The tuition fees are reviewed each year and you are liable for the additional tuition costs if the tuition fees rise during the course of your enrolment.
- Each subject is assigned a study period and census date.
- An administrative fee of \$500 AUD will apply to any student who withdraws from a course prior to a census date where a refund of fees paid is due (exemptions apply).
- Financial penalties will apply to students who withdraw from their course after midnight on the relevant census date.
- All tuition fees are in Australian dollars (AUD).
- For further information regarding fees, including applicable refunds, refer to the Fees Policy at:

## Standard Semesters

AFTRS higher education academic year consists of two semesters. Unless specified in the Course-Specific Semesters section that follows, your course will run during standard semester dates.

The 2021 standard semester dates are:

Semester	Start Date	End Date
Semester 1	22/02/2021	20/06/2021
Semester 2	09/08/2021	03/12/2021

*\*Delayed due to COVID-19*

## Block-Based Study Periods

AFTRS uses a 'block' timetabling approach in the delivery of its subjects. This means that not all subjects are delivered throughout the entirety of the semester, but instead in blocks.

For these subjects, a study period may occur over a period of weeks within the semester and an applicable census dates will be applied accordingly.

Further information regarding the delivery of the subjects in your course will be supplied once you are enrolled and your personalised timetable is supplied to you.
