AFTRS/ABC Selwyn Speight Diversity Radio Scholarship Graduate Diploma in Radio

Purpose

The purpose of this scholarship is to expand and enrich the school's student community by recognising and supporting an outstanding Graduate Diploma in Radio student, selected on the basis of excellence from eligible students from diverse backgrounds.

Diversity refers to the differences that distinguish groups of people from one another. People manifest differences through attributes such as culture, religion, language, gender, age, disability, educational disadvantage, socioeconomic status, or sexual orientation. This is not an exhaustive list of diversity groups; and individuals may identify as belonging to one or a number of these groups.

The AFTRS/ABC Selwyn Speight Excellence Scholarship for the Graduate Diploma in Radio is awarded to support and develop the career of the recipient, providing them with a minimum \$15,000 scholarship (final amount to be determined by the Trustee), an unpaid internship at the ABC throughout the study year followed by a 12 month employment contract if all performance measures are met.

The scholarship is intended to support students by providing contribution to a living allowance or towards relocation costs, study resources and other costs. One scholarship may be offered in 2022 to a Graduate Diploma in Radio student after consideration by the selection committee. The recipient cannot defer the commencement of the scholarship.

Payments

The scholarship is made available via a bequest from the late Selwyn Speight, who was an ABC journalist. The 2022 scholarship is valued at a minimum of \$15,000 to be paid to the scholarship recipient following the applicable census date.

Assessment of applications

The scholarship is intended to recognise both diversity and excellence, and applications will be assessed on those grounds.

AFTRS will determine excellence on the basis of the selection process applied to all Graduate Diploma in Radio applicants.

The committee will take into consideration the personal statement provided by the applicant in regards to their background. Applicants are asked to self-identify when making an application, but may be required to supply documentation relating to their membership of a target group on request.

There is one scholarship available, competitively determined on consideration of the application ranking of candidates who fulfil the eligibility criteria. AFTRS and the ABC will determine which, if any, applicant will be awarded the scholarship. AFTRS' decision is final and no correspondence about decisions will be entered into. Successful applicants will be told of any conditions of the scholarship.

Who can apply?
