Onbass Giant Steps Scholarship

Purpose

The purpose of this scholarship is to expand and enrich the school's student community by supporting a student who is a gifted storyteller and also requires financial assistance to study the Bachelor of Arts Screen: Production course at AFTRS. The successful applicant will be selected on the basis of creative excellence and a demonstrated need.

The new Onbass Giant Steps Scholarship will be awarded to support and develop the career of a gifted storyteller who may not be able to afford to study fulltime in Sydney. The scholarship is intended to support students commencing their studies by providing a contribution to a living allowance or towards relocation costs, study resources, fees or other costs.

One scholarship will be offered in 2023 to a Bachelor of Arts: Production student after consideration by the selection committee. The recipient cannot defer the commencement of the scholarship.

Payments

The scholarship is valued at \$22,500.

\$7,500 will be awarded to a student commencing the Bachelor of Arts: Screen Production in 2023 and thereafter on an annual basis for the remaining two years of the course, to be paid following the applicable census date. Payments are conditional on the recipient remaining enrolled, in good academic standing, and continuing to meet the eligibility criteria, and any other conditions.

AFTRS Bachelor of Arts Screen: Production

Assessment of applications

The scholarship is intended to support students who show creative excellence and who also require financial assistance to study at AFTRS. Applications are encouraged from students from low socio-economic backgrounds or who can demonstrate financial hardship.

Application task

As part of your application you will be asked to provide an original story as written text of one or two pages.

AFTRS working in partnership with the Gentle Giant Media Group and the Onbass Fund will determine which, if any, applicant will be awarded a scholarship.

The committee will take into consideration the original story provided by the applicant along with any other material regarding their financial or other need. Applicants may be required to supply documentation on request.

AFTRS' decision is final and correspondence about decisions will not be entered into. The successful applicant will be told of any conditions of a scholarship. In the event of there being no suitable applicants for that year the committee will convene to determine a course of action.

Demonstrating need

The application will ask you to provide a statement about your socio-economic circumstances. In addition, you may also want to include any other contextual information about your situation that provides an insight into your needs.

You must demonstrate financial hardship. Ways of doing this include:

- You should provide documentation that attests to your disadvantage in the relevant area. For further information, talk to the Student Centre.
